SCHOOL BOARD POLICY

The Board believes that the primary purpose for evaluating teachers is to promote the development and maintenance of excellence in the quality of instruction.

The summative evaluation report on the work of a teacher comes at the end of an evaluation process which has as its goal the assurance that the teacher performs their duties in an effective and professional manner. In School District No. 62, summative evaluation reports on teachers shall be based upon standard criteria following the procedures outlined in the STA/SD62 Collective Agreement, Article E.14 "Evaluation Procedures" and the Letter of Understanding No. 1 "Confirmatory Report".
